

FAQ's

S

1. What is **SHELOVESSTEM**?

SHELOVESSTEM is a registered 501 (c)(3) educational organization dedicated to empowering young girls through hands-on **STEM** (**Science, Technology, Engineering, and Math**) workshops, kits, and events inspired by real-life women in science.

2. Who are your programs for?

Our programs are designed for girls ages 5–13, but we welcome all learners who are excited about **STEM**! Workshops are age-appropriate and can be tailored for schools, homeschool groups, libraries, and community organizations.

3. What types of **STEM** activities do you offer?

We offer interactive workshops, take-home **STEM** kits, and digital resources that cover topics like space exploration, biology, engineering, and more. Some of our activities and kits are themed around a woman in **STEM** to inspire and educate.

4. How can I purchase a **STEM** kit?

E

STEM kits can be purchased online or at in-person events. Each kit comes with materials, instructions, and access to our online **STEM** Hub with bonus resources.

5. What is the **STEM Hub** and how do I access it?

The **STEM Hub** is our members-only online space where customers can access fun facts, printable worksheets, and additional **STEM** content related to their purchase. You'll receive a password after your kit purchase or workshop registration.

6. Do you offer group rates or custom workshops?

Yes! We offer group rates for schools, organizations, and events. We can also create custom STEM experiences based on your theme or goals. **Contact us** to learn more.

7. Can parents or guardians participate?

Absolutely! We encourage family involvement, especially for our younger STEMstars. Some workshops even include take-home activities to keep the learning going.

8. Are your workshops aligned with school standards?

Yes. Our activities are designed to align with **NGSS (Next Generation Science Standards)** and encourage critical thinking, creativity, and collaboration.

9. How can I support **SHELOVESSTEM**?

You can **support us** by spreading the word, purchasing kits, sponsoring a workshop, or partnering with us for community outreach. Every bit helps us inspire the next generation of innovators!

10. What if I purchased a kit and didn't receive the digital download with the kit instructions?

Check the "Promotions" section if you're using GMAIL, and the "SPAM" folder for all other email providers. Otherwise email info@shelovesstem.com and we will resend the email.

11. What if I purchased a kit and some of the materials are missing?

S Email kits@shelovesstem.com and we will ship a new kit within 24 hours.

12. How do I contact you?

Have questions or want to book a workshop? Reach out to us at info@shelovesstem.com.
